

REMARKS

The specification has been amended to add paragraphs [0054A] and [0054B] to provide a brief description of Figures 8c and 8d, respectively. Support for the amendment may be found throughout the as-filed specification and drawings. No new matter has been added.

In the Notice of Drawing Inconsistency With Specification that was mailed on March 31, 2008, it was noted that Figures 8c and 8d were contained in the Drawings, but were not listed in the Brief Description of the Drawings in the specification. By way of this Rule 312 Amendment, Applicant has provided a brief description of Figures 8c and 8d, and respectfully requests that the Amendment be entered to correct the inconsistency.
